UNIQUE WINES & SPIRITS FROM AROUND THE GLOBE

Fonjoya Grand Velours Grande Réserve

90 pts – Wine Enthusiast

Fonjoya is the collaborative project of two wineries, one in Saint-Félix-de-Lodez and one in Saint-Saturnin-de-Lucian. It began in 2018, about 100 years after the neighbours each began making wines in the region. The two synergize quite well in this lovely red that shows flavours of sweet blackberry and vanilla, with a hint of bitter herbs.
